CLINIC

PEELING
ENZYMSPECTRUM
contains snail slime

BIJO „the wisdom of nature”

www.bijo.pl

Actives

Snail slime, vegetable proteolytic enzymes, betaine, biologically active vitamin C, BIO grapefruit juice.

Action

- Eliminates the dead cells of horny layer
- Neutralizes free radicals
- Improves the absorption of active ingredients
- Moisturizes the skin
- Strengthens the capillaries
- Regulates the action of sebaceous glands
- Reduces hyperpigmentation, evens skin tone
- Smooths and illuminates the skin

Recommendations

Any skin type requiring cleansing and oxygenation.

Application

Application time in aqueous environment: 3- 5 minutes, depending on skin sensitivity.

Observation of skin reaction is required.

Rinse off after reaching the application time.

THE PEELING DOES NOT CONTAIN ANY FRAGRANCE ONLY FOR PROFESSIONAL USE

Składniki/ingredients:
