

B·I·J·O™
CLINIC

MASK
IMMUNOSPECTRUM
with a high dose of snail slime

BIJO „the wisdom of nature”

www.bijo.pl

Active ingredients

High dose of snail slime, adenosine, coralline, Camellia japonica, vitamin E, allantoin, panthenol.

Effects

Restores skin hydrolipid layer, regulates hydration at the cellular level, reduces transepidermal water loss, intensifies biological cell activity, activates collagen synthesis, reduces redness, increases skin density, protects cells against oxidative stress, supplements bioelements, i.e. K, Mg, Zn, Mn, Ca, protects the skin against harmful environmental factors.

Indications

Any type of skin that needs special care; the product complements intensive beauty and care cosmetology treatments as an independent mask with the „banquet effect”.

How to use

Apply the mask on the dried skin of the face and neck and leave until absorbed; do not rinse the skin to achieve the intensive regenerating and protecting effect of the mask!

THE PRODUCT CONTAINS NO SPECIAL FRAGRANCE ADDITIVES
